

What's more important than the health of your people?

Help your people take control of their health with an on island **Advanced Health & Wellbeing Assessment.**

THE
MEDICAL
SPECIALIST
GROUP
LLP

Trust the experts at MSG with a comprehensive consultant led analysis of your people's health and physical wellbeing. Using 47 different lifestyle, medical and non-invasive tests, our assessments help your people understand how to take control of their health – discussing potential issues whilst also reinforcing good habits and giving them a personalised health profile:

- ✔ Promote a focus on a healthy work environment
- ✔ Offer a valuable benefit to attract and retain people
- ✔ Mitigate risks and safety concerns
- ✔ Improve the health and peace of mind of your people
- ✔ Ensure early detection and diagnosis of health issues, enabling faster treatment
- ✔ Reduce likelihood of long term sickness
- ✔ On island – no need to travel

What's included in our Advanced Health & Wellbeing Assessments?
