

# What's more important than peace of mind?

Take control of your health with an on island **Advanced Health & Wellbeing Assessment.**

THE  
MEDICAL  
SPECIALIST  
GROUP  
LLP

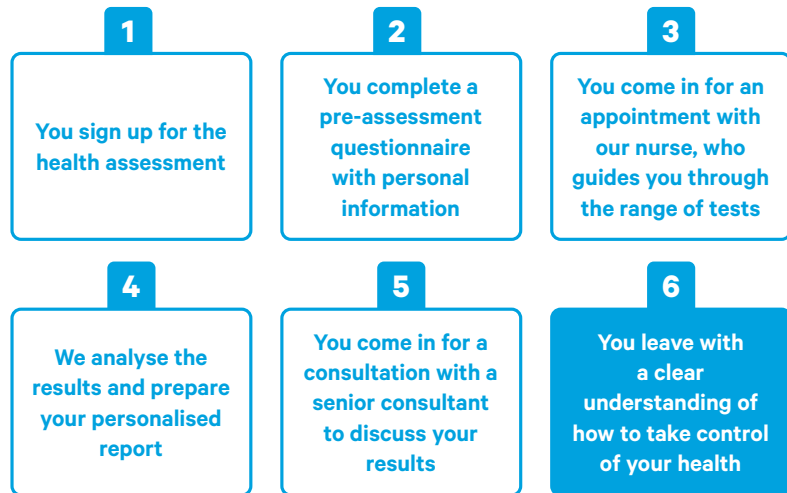

**Trust the experts** at MSG with a comprehensive consultant led analysis of your health and physical wellbeing. Using 47 different lifestyle, medical and non-invasive tests, our assessments help you understand how to take control of your health – discussing potential issues whilst also reinforcing good behaviours and giving you a personalised health profile:

- ✓ Peace of mind about your health and wellbeing
- ✓ Improve your awareness of potential health conditions
- ✓ Time to talk to a senior consultant about issues or concerns
- ✓ Access early disease detection, diagnosis and action
- ✓ Direct referrals to specialists if needed
- ✓ Personalised wellness programme
- ✓ On island – no need to travel

## What's included?

- A comprehensive range of 47 tests using the latest health testing technology, including:
  - Physical markers including BMI, blood pressure, ECG
  - Blood tests & heart function
  - Cholesterol and glucose
  - Thyroid
