Secondary Healthcare Provision – Secondary Care Contract Patient B

Patient Visits GP

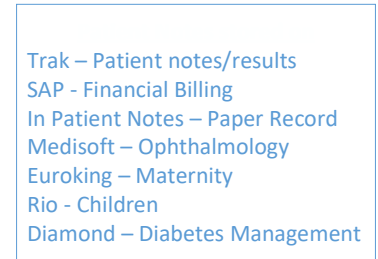

GP Requests a specialist appointment, appointment made as required, patient can be referred back to GP after assessment

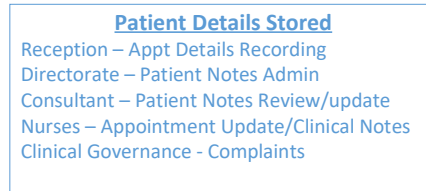

Arrangements made for treatment in hospital. HSC provide facilities and theatre staff. Consultants/Theatre Assistants are provided by MSG

A letter is sent to the patient confirming the arrangements, details are recorded on Trak and a copy of letter sent to HSC.

Contract Patients are covered under the Secondary Health care contract.

Patients have option to change to Private care if they wish, they also have the option to change back to the Secondary Health care contract

Treatment Paths

- A – Patient can be referred back to GP
- B – Treatment completed at MSG site, end of process
- C – Patient Referred for off island treatment
- D – Referred for Hospital treatment
- E – Patient visits A&E
- F – Patient visits Fracture Clinic
